Personal Brief History

Denise (Pug) is Leominster born, well established & has many strings to her bow including charity work for the Charles Renton unit & being actively involved with raising money for the swimming pool.

Denise's catering attributes include owning the local fish shop for 14 years & her long service (31 years) at The Talbot Hotel, where she met me Caitlin "lucky girl!" I have been in the catering trade for 20 years plus & have had many various positions, from a Pastry Chef in Broadway to a Head Chef in Ludlow, classically trained with management qualifications & experience.

So together with Denise's knowledge & contacts of the local area & my technical knowledge we are "Table Manners."

Please contact us in the first instance to see if we can assist you in anyway with your forthcoming event/function.
