

LEOMINSTER MANAGEMENT COMMITTEE MONTHLY NEWSLETTER - NOVEMBER 2017

Another wonderful evening's entertainment featuring the Bargoed Choir is planned for the 15th December. Profits from the evening will be divided between the golf club and the Alzheimer's Society.

The Lottery now stands at a colossal amount in excess of £2000. Buy your tickets now.

The annual President versus Captain versus Vice Captain team match was held on the 28th October where as you can see from the captions the Captain's team overcame the opposition to emerge victorious. The fiercely fought match was followed by a hugely successful Race Night. This year the event was a joint venture between the golf club and Leominster

Hockey Club. The evening proved to be a huge success both socially and financially. Next year the 3 way match and the Race Night will be held a week earlier to avoid a clash with Halloween.

The Men's annual handicap review has been held and changes have been notified by email or letter. Letters can be found in the box by the Handicap Notice Board. You can also check your handicap on Master Scoreboard or on the Notice Board

CLUB HOUSE

The winter games evenings have started every Wednesday everyone welcome from 7pm.

The Log Burner – money has been raised to install this and provided that the approval goes through it is to be installed on 29th November. The seniors boards have been removed and will be rehung in the hallway.

An evening of family fun is planned for Friday 24th November when Prize Bingo will be held. Using a few local calls we could have: 'Pete's hole in one - Number 17', 'Pete's shots in a bunker - Number 22'

Table Manners are offering a Sunday lunchtime offering throughout November into December. Come along and enjoy this super offer.

1 course with appetiser - £7.95
(choice of 1 meat/fish or veggie dish on the menu)
Add a dessert - £4.95

*Commencing Sunday 29th October
To run every Sunday until 10th December
From 12 noon - 4pm
(Christmas Carvery on 17th December)*

Must be booked in advance please
by 12 noon of preceding Friday

FUTURE PLANS

The Business Plan developed in conjunction with England Golf is progressing well with drafts being circulated for review. These will be published to the membership as soon as a consensus is reached.

GREENS UPDATE

Not sure whether Mr Morris requested this but the 5th bunker has been dug out and seeded. It is now an area of GUR.

Jackson has attended several green-keeper's courses and is progressing very well.

A new Tees Mower will be acquired for April 2018 as part of our Equipment Maintenance and Replenishment Programme with our partner John Deere (Tallis Amos).

A replacement mat is due for the 6th tee then the work can be completed.

Ladies 3rd tee still waiting for the necessary machinery to be available before the work can start.

The entrance to the car park is to be improved. The work will be cost neutral to the club. Steve will put electricity to both gate posts to enable us to put lights on each of them.

Established Fusarium treatment is being banned nationally. The new approach will entail keeping copious data to be reviewed monthly for the agronomist and an appropriate plan agreed. To aid this a 'weather station' will be needed and the metrics recorded. Anyone requiring further details can engage with Steve (if you have an hour and half to spare).

And Finally

There has recently been a spate of raised voices and unacceptable language in our clubhouse. A clubhouse that is used by members and guests of both genders along with juniors. Furthermore we have and wish to encourage more families to use our dining facilities. I'm sure everyone will agree that this is totally unacceptable. If you're aware of it happening please quietly and politely ask the culprits to desist.
