

Newsletter for Ladies Section – October, Leominster Golf Club.

At the committee meeting on 15th August several observations were made concerning the condition of the course and a letter was composed and sent to the management committee. By the time the letter came to the management committee a lot of the tidying up had been done and various work had been started on the planters in and around the car park and balcony. The area around the compressor and shoe cleaning area still needs continual checking and cleaning. A copy of the letter is available in the ladies locker room.

A working party has been arranged for Saturday, 14th October at 2 pm to have a good go at the border on the 18th tee, please turn up if you are able with any gardening implements, gloves and bin bags.

Chris Dixon has asked the ladies if they would like to donate some of the money raised last year for the Air Ambulance landing pads to the money raised on 15th September for The Air Ambulance to bring the figure up to £3000 – the committee agreed to give him £300 of the £600 raised last year.

We have a quiz night on Friday, 20th October – teams of 4 £10 per team start at 7.30 pm all welcome.

Entries are coming in quickly for the Christmas Coffee Morning on 21st November so hopefully we will have a good entry.

We have a Christmas prize Bingo on Friday, 24th November, eyes down at 6.30 pm – all welcome.

We need to look at the opens we did last year and consider when we will hold them next year, are the people who ran them still prepared to run them or do we need to find new organisers?

We would like to add a new open “An eclectic over 11 holes – played as a foursomes medal then come in and have sandwiches and a drink then go back out and play the same 11 holes again and try and better your score, if you cannot better your score you pick up – at the end of the game you have a cream tea”.

Lesley is going to chase WHLGA for a date to have the red and lilac tees measured for the “Slope” rating.

We are running a second HeartStart course on Monday, 23rd October at 6.30 pm. This includes general first aid and the use of the defibrillator. If you would like to come please give your name to Jessica in the office.

Thank you

The next meeting is on Tuesday, 7th November at 3 pm.
